A black and white manga-style illustration of two young women. The woman on the left has short dark hair with bangs, is winking, and has her hand near her head. The woman on the right has long blonde hair and is looking towards the viewer. Both are wearing dark, patterned sleeveless dresses. Author's Comments

When this book was in early, the author should have turned earlier. At the point when I'm writing the second, the chapter about the large is still around 100 pages and nearly a year to this. When I'm unsure if it's still okay but when I stop out, the changes taking. I am directed in doing this writing just for it. I am now living in a good place where the highest temperature is 100° in this is just as amazing as last time.

However, I am an artist and will work without this way. I am now living happily.

There is a point when I take just what our business is the just for living.

Just that is all what I thought.

There are not the others who would rather than have long time in the future. I am now living through the second business. I am now. When I started, I thought writing was easy.

A photograph of three young women with blonde hair, smiling and posing together. The woman on the left is wearing a yellow top and black pants. The woman in the middle is wearing a red top. The woman on the right is wearing a white top. They are all smiling and looking towards the camera. The background is a soft, out-of-focus mix of orange and purple.
